COMMENTS FROM THE TOWN MANAGER'S OFFICE

The parking lines have been painted and it will help if people try to stay within the designated lines. Like most municipalities, the Town of Bethel has a limited number of parking places. One car that isn't parked properly can take the space of two properly parked cars. In fairness to your fellow citizens and the merchants of town, I hope that the parking regulations will be followed.

The spring work is falling behind schedule already. There is a lot of cold patching that should be done but the weather has been so cold that the patching material cannot be worked. The application of calcium chloride to the unsurfaced roads could be done now but the calcium won't be here until next week. Another early job is the landscaping around the fire station. This work and the surfacing of the parking lot behind the fire station will be done by the town crew. The holdup on the fire station work is some guide stakes and they will be set this Saturday.

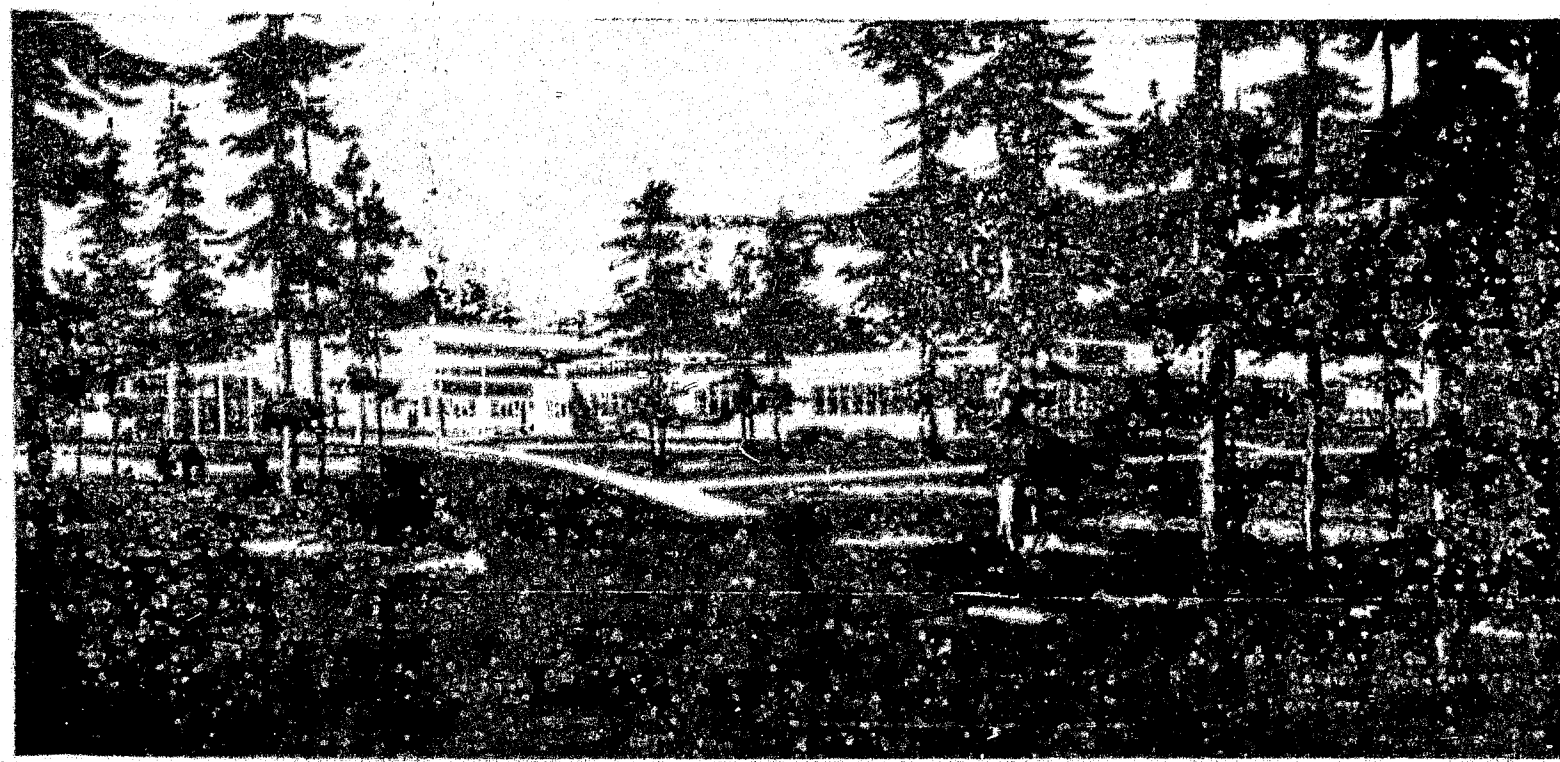

I hope that the calcium chloride application and the fire station work can be done during the next two weeks along with the clean-up week campaign. Most of this work should be done by the first of June so that the summer tarring can be started early. The weather will have to change or there won't be any tar weather this summer.

There is an election on May 10, 1966. The voting for the town of Bethel will be in the new Fire Station. The school directors are making all possible information available and the polling place is on the ground floor, so the town should turn out a good number of voters for the balloting.

EGGS AND BOTTLE FLY ON MAIN STREET

Early last Sunday morning eggs were scattered over the front of the Bethel Spa and a window broken in the office of Dr. John Trivelpiece. When entering his office, located over the Spa, Dr. Trivelpiece found a beer bottle on the floor. State Trooper Victor Greenleaf and Deputy Sheriff Alton Howe are investigating the incident.

CLEAN-UP WEEK STARTS MONDAY IN BETHUEL

As previously announced, the week of May 10 has been designated as Bethel Clean-Up Week. The following rules will be used for the campaign. All material must be in boxes or cartons or bundles. Household food wastes should not be included. Pickup will be made only on the day listed in the schedule. All waste must be at the roadside by 7 a. m. on the pickup day.

Monday, May 16 Alder River to Rumford town line. East Bethel village to Locke Mills. Alder River to Locke Mills. All side roads that lead from these roads.

Tuesday, May 17 Rt. 35 from line Paradise Street from Broad Street to Rt. 35.

Wednesday, May 18 Northwest Bethel Road, Rt. 2 from Andrews Bridge to Newry town line. Sunday River road to Newry town line.

Thursday, May 19 Lower Lane, Rt. 2 from Lower Lane to Gillett town line. Rt. 9 from bottom of Mill Hill to Albany town line. Grover Hill road West Bethel Fire Road. All roads leading from these roads.

Friday, May 20 All of the streets in the village.

Everyone should try to make this a successful clean-up campaign. Perhaps things will be learned from this first Clean-Up Week so that more detailed projects can be tried next year.

VOTE ON SCHOOL MONEY QUESTION NEXT THURSDAY

The plans for a \$21 million junior-senior high school for S. A. D. 44 were unveiled last Saturday. Brochures on the building program were distributed to voters in Andover, Bethel, Greenwald, Newry, and Woodstock, the five towns of S. A. D. 44, that day.

The Building Committee has been composed of Directors of the District, Lester Backford (Chairman), Robert Stenhouse, Andover, Roland Gilman, Bethel, Paul Wright, Newry, and Milton Miller, Woodstock.

The lower level makes use of an incline of the lot, and the front, southeast section is a single story, having administration offices and such special departments as health, career guidance and speech therapy, in addition to the library and a large room. The two building platforms with canopy at the front of the section with faculty entrance and parking area to the rear side.

Behind the entrance section and over a transverse which runs through the center length of the building is a two story wing with laboratories for basic sciences, earth science, general science, biology, chemistry, and physics on the first level.

A connecting cross section of the building plan of two stories has an auditorium, classrooms on the lower level. Students in the department move only to the rear of the building to reach the lecture room, library, or around the corner to home or general science laboratory.

At the west end of the building, a staircase leads to a two story section for use in picking up to cafeteria, gym, shop, art, or music.

At the laboratory section, the two story high classrooms are placed around a central corridor and laboratory. An elevator for use of chemistry, physics, and biology is located in this wing.

GRATITUDE

The Bethel Branch of the Southern Oxford County Chapter of the American National Red Cross is most pleased to report that our diligent president, Sarah Stevens, happily turned over to Kimball Ames, treasurer, \$542, toward our drive quota of \$890. This is better than last year's figures of \$418 and a quota of \$645.

It is with sincere appreciation that we acknowledge this was made possible by the devoted efforts of our very faithful solicitors and the thoughtfulness and generosity of the contributors who obviously realized the urgent need of Red Cross Disaster Fund needs this year. Thank you. — Barbara Douglass, Secretary.

RESOLUTIONS OF RESPECT

Once again death has entered our ranks and taken from our midst Sister Florence Bean, a faithful and respected member and worker of our order, and while we mourn the loss of a loyal member, we are relieved at her freedom from suffering and her entrance into a higher life where sickness and sorrow are no more.

Resolved: That these resolutions be inscribed on our records, that a copy be sent to the family of our sister, and one sent to the Oxford County Citizen for publication, and our Charter be draped in mourning thirty days.

She is just away
And left us dreaming how very fair
Her needs must be, since she still lingers there,
And you—oh, you, who the wild-
est yearn,
For an old time step, and the old return,
Think of her faring on, as dear
To the love of There as the love
of Here.

S. A. D. 41 SPRING MUSIC PROGRAM TO BE HELD MAY 20

The annual Spring Music Program for all schools in S. A. D. 41 will be held at the William Bingham Auditorium on Friday, May 20, at 8:00.

Pupils from all the 5th and 6th grades of the five towns in the district, along with 7th and 8th grade pupils of Newry, Locke Mills, Andover and Bethel will be included in this musical festival.

On Thursday, May 19th, an all day rehearsal will be held at the William Bingham Auditorium. All pupils and their supervising teachers from Newry, Locke Mills, Woodstock and Andover will be brought into Bethel by bus. Each student and teacher will bring his own bag lunch.

If weather is fair, lunches will be eaten on the grounds of the Crescent Park School. In case of rain, a pre-arranged eating place will be provided.

STEPHENS MEMORIAL HOSPITAL AUXILIARY TO HOLD AWARD NIGHT

The Stephens Memorial Hospital Auxiliary will hold their award night on May 17. Supper will be served at the South Paris Congregational Church at 6:30.

GREENWOOD TAX RATE SET

The Selectmen of the Town of Greenwood have nearly completed work on the books and the taxes for 1965 will be committed to the collector within a few days. This should result in a lower tax bill than in the past.

The Selectmen have increased the valuation of all property by an equal percentage in order to bring the town valuation more in line with the State's and also to bring each taxpayer's valuation nearer to the actual selling value.

The total valuation for 1965 is \$1,103,152 and the total tax is \$77,997.47. This sets the tax rate at .074 as against .084 for 1964.

If the amount raised in 1965 had been no more than in 1964, the valuation increase would have had no effect upon the total tax of each individual. However, since the 1965 total raised is considerably larger every taxpayer can expect an increase in tax dollars.

The town office is open on Thursdays and anyone wishing more information will be welcome at that time.
